**INFORMATION DISCLOSURE STATEMENT**

Sir:

In accordance with 37 C.F.R. § 1.56, Applicant submits herewith patents, publications or other information of which they are aware, listed on form PTO-1449, which they believe may be material to the examination of this application and in respect of which there may be a duty to disclose. Legible copies of all items listed on form PTO-1449 accompany this information disclosure statement.

This Information Disclosure Statement is being filed after a first action on the merits and before a final action. The fee of \$180 required under 37 C.F.R. 1.17(p) should be charged to our Deposit Account No. 06-2143.

The present invention recites a method for inerting the anodes of fuel cells which is not believed to be disclosed by the enclosed reference.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 CFR 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists. The filing of this information disclosure statement shall not be construed as an admission against interest in any manner.
